

“Not So Long Ago”

by Daniel Paul Work (ASCAP/SmileyNote Studios, inc., c2020)

I've been waiting, for a long time
I've been waiting, tired of being treated so young

Wish I was older, I'd be so much more bolder
I need freedom, to think or say whatever may come

Not so long ago, when I was seventeen
How was I to know, we won't all grow too old

(chorus)

Not so long ago, not so long ago
When we were just seventeen

Nothing we can't do with fired up attitude
Believe in, believe in you and me

Life was but a dream, if you're born king or queen
Undeniably, we were just seventeen

(chorus)

Not so long ago, not so long ago
Not so long ago, not so long ago
When we were just seventeen
Nothing we can't do with fired up attitude
Not So Long Ago, not so long ago (vamp)
